WHO DO WE ACT FOR?

We have negotiated a unique product and pricing offer for the insurance of memorials, headstones, gravestones and the like with Berkley Insurance Company (BIC). As part of this arrangement, and to keep costs down, and provide you with a fast and simple way to arrange cover, both UIG and MIA are operating under a binder arrangement with BIC. This means that UIG and MIA represent and act as agent for the insurer, BIC, not for you.

OUR PRODUCTS AND SERVICES

MIA advises and arranges insurance for memorials, headstones, gravestones and the like.

WHAT TYPE OF ADVICE WILL I RECEIVE?

Typically, MIA only provide General Advice to our Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it.

MIA has developed a unique insurance policy coverage for memorials, headstones, gravestones and the like, and this is the only insurance policy that we offer to our clients. If MIA recommend the purchase of the Memorial Insurance policy, MIA will also give you a Product Disclosure Statement (PDS) at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

WHAT WE EXPECT FROM YOU?

To enable MIA to provide the right advice, we need you to provide us with complete and accurate details and condition of the Monument to be insured. Over time, you should also tell us about any relevant changes so we may review your insurance accordingly.

UIG'S SOURCES OF INCOME

UIG have a set of standard non-refundable Policy Fees that they charge you for services such as product development and claims support. All fees payable for services will be advised to you at or before the time of providing the advice or service. UIG retain the interest on premiums paid by you that are held in their trust account before paying the insurer.

UIG are a member of Steadfast Pty Limited (Steadfast). Steadfast have exclusive arrangements with some insurers where they receive between 0.5% – 1.5% commission on the premium placed by MIA with those insurers. These payments are used to operate the Steadfast operations.

Depending on the operating costs of Steadfast (including the costs of member services provided to MIA and other members) and the amount of total business UIG place with the participating insurers in any financial year, Steadfast may receive some of that commission at the end of each financial year.

As a Steadfast member, members can access services including operating and compliance tools, advice and assistance from professional bodies, group insurance arrangements, product comparison and placement support, claims support and purchasing arrangements. These member services are either funded or subsidised by Steadfast or available exclusively to members for a fee.

If you pay by credit card, we will charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices. Any such fees charged are non-refundable. This fee covers the cost of bank charges, etc. associated with such facilities.

HOW WE ARE PAID
