THE PURPOSE OF THIS GUIDE

This Financial Services Guide (FSG) has been authorised by UIG and applies from 1/7/2021 and is designed to assist you in deciding whether to use any of our services and contains important information about the services we offer you, how we and our associates are paid, any potential conflicts of interest we may have and what to do in the event of a complaint.

RESPONSIBILITY FOR SERVICES PROVIDED

We are an Authorised Representative (AR) of United Insurance Group P/L (UIG), who hold an Australian Financial Services Licence (AFSL) and we are authorised by them to advise and deal in the full spectrum of general insurance products. All of our staff that provide Financial Services are appropriately authorised by UIG. UIG is responsible for the financial services provided to you, or through you to your family members, including the distribution of this FSG. They are required to meet high standards for: staff training, organisational competence, management expertise, financial control and compliance disciplines.

WHO DO WE ACT FOR?

We have negotiated a unique product and pricing offer for the insurance of memorials, headstones, gravestones and the like with Berkley Insurance Company (BIC). As part of this arrangement, and to keep costs down, and provide you with a fast and simple way to arrange cover, both UIG and MIA are operating under a binder arrangement with BIC. This means that UIG and MIA represent and act as agent for the insurer, BIC, not for you.

OUR SERVICES AND PRODUCTS

MIA advises and arranges insurance for memorials, headstones, gravestones and the like.

RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act defines Retail Clients as: Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people And that are purchasing the following types of insurance covers: Motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations.

Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

RETAIL CLIENT ISSUES

MIA only provide General Advice to our Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it.

MIA has developed a unique insurance policy coverage for memorials, headstones, gravestones and the like, and this is the only insurance policy that we offer to our clients. If MIA recommend the purchase of the Memorial Insurance policy, MIA will also give you a Product Disclosure Statement (PDS) at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.
